Your Insurance Claims Network
"We Have You Covered"

I/We, owner of the property located at : 3864 E 149th
Agree to have Your Insurance Claims Network represent me/us and assist in obtaining my/our insurance company's good faith approval for the funds needed for restoration and repairs to said property.

If the insurance company does not agree to pay for needed repairs, this agreement is automatically terminated.

In such event, the property owner will not owe anything to Your Insurance Claims Network; and Your Insurance Claims Network will not be required to perform any restoration and repairs to said property.

Property owner agrees that Your Insurance Claims Network will perform the repairs to the said property in accordance with the insurance company's damage and work scope. The property owner will pay to Your Insurance Claims Network all checks from the insurance company, including:

1. The initial check (ACV) that comes with the detailed work scope from the insurance company. At this time property owner will be assisted in selecting any available options such as shingle style and color, etc. Your Insurance Claims Network then orders all materials, schedules work to be done, and orders all inspections during and after repairs and installation.

2. The depreciation/supplement check that the insurance company pays after final inspection.

3. All supplemental funds from the insurance company for unforeseen costs. If these occur, they will be negotiated by Your Insurance Claims Network and are paid by the insurance company.

4. Any upgrade that is selected will be due upon completion.
