Alert Settings

Configure where approval SMS alerts are sent when an estimate is ready for review.

Approval Alert Phone Number

+15551234567

Use E.164 format (e.g. +15551234567). When set, approval SMS alerts are sent to this number instead of the owner's profile phone.

Adjuster Review Notifications

Choose how you want to be notified when an adjuster submits their line-item review.

Email notification
Receive an email summary when an adjuster submits their review

Notification Email (optional)

yicnteam@gmail.com

If set, adjuster review alerts go to this address instead of the company email. Useful for routing alerts to a project manager.

SMS notification
Receive a text message when an adjuster submits their review

Booking Form Configuration

Service Type Options
Custom options for the "Service Type" dropdown

+ Add Option

No custom service types — defaults will be used based on industry.

PhotoSync Assignment — Email & SMS Templates

Customize the email and SMS messages sent to an inspector when they are assigned to a PhotoSync job. Use merge fields like `{inspector_name}`, `{property_address}`, `{scheduled_date}`, `{company_name}`, and `{crewcam_link}` to personalize messages.

Inspector Assignment Email

Subject Line

New Work Assignment: {property_address}

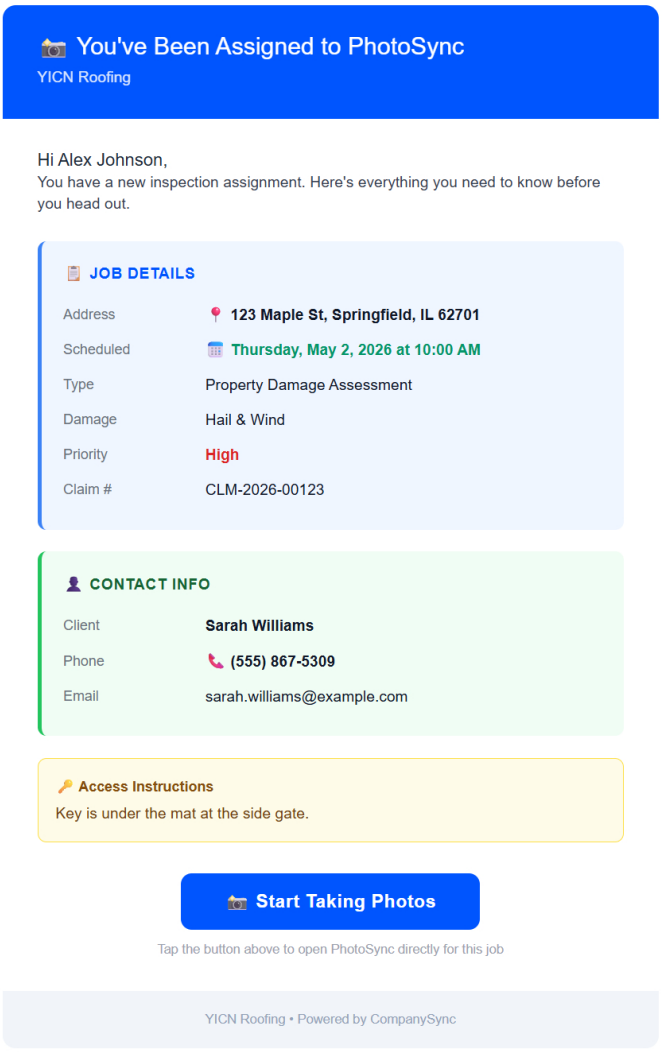

The email subject line the inspector sees in their inbox

Email Body (plain text or HTML)

Hi {inspector_name}, you have a new PhotoSync assignment at {property_address}. Tap here to start: {crewcam_link}

Leave blank to use the default branded template. Supports plain text or HTML.

DEFAULT BRANDED TEMPLATE — SAMPLE VALUES SHOWN

This is what inspectors receive when you leave the email body blank. The header and button use your brand color.

RECIPIENT PREVIEW — SAMPLE VALUES SHOWN

Subject

New Work Assignment: 123 Maple St, Springfield, IL 62701

This is exactly what the inspector will see, with merge fields like {property_address} and {inspector_name} replaced by example values. At send time, real values for the actual job are used.

Voice Command Cheat Sheet

Customize the example voice commands shown in the guided inspection hint panel. Inspectors will see these commands when hands-free mode is activated.

📷 Photos

"take photo" × | "photo now" × | "snap photo" × | "capture now" ×

e.g. snap photo | + Add

📍 Sections

"front slope" × | "rear elevation" × | "right slope" × | "left elevation" × | "gutters" × | "siding" × | "interior" ×

e.g. front slope

+ Add

Counters

"add two pipe boots" × "another vent" × "another chimney" ×

e.g. another vent

+ Add

These commands are display hints only. Voice recognition still accepts the full range of built-in commands. Save using the button at the bottom of the page.

Default Notes & Disclaimers

Set default notes and disclaimers for estimates, invoices, and proposals. These will auto-fill on new documents but can be overridden per document.

Estimates

Default Estimate Notes

NOTE:
This price is only valid for 30 days from estimate date, and is based on a deposit of half down upon acceptance of estimate and the remaining half due upon completion of work.

Shown to customers on the estimate

Default Estimate Disclaimer

1. Coverage Period
YICN Roofing (the "Contractor") warrants to the original Property Owner that the roofing system installed will be free from defects in workmanship for a period of ten (10) years from the date of substantial completion.

Legal disclaimer shown at the bottom of estimates

Invoices

Default Invoice Notes

e.g., Payment is due within 30 days. Late fees may apply after due date.

Shown to customers on the invoice

Default Invoice Disclaimer

e.g., All work is warranted for 1 year from date of completion unless otherwise stated...

Legal disclaimer shown at the bottom of invoices

Proposals

Default Proposal Notes

e.g., This proposal is valid for 30 days from the date of issue.

Shown to customers on the proposal

Default Proposal Disclaimer

e.g., Pricing is subject to change based on unforeseen site conditions...

Legal disclaimer shown at the bottom of proposals

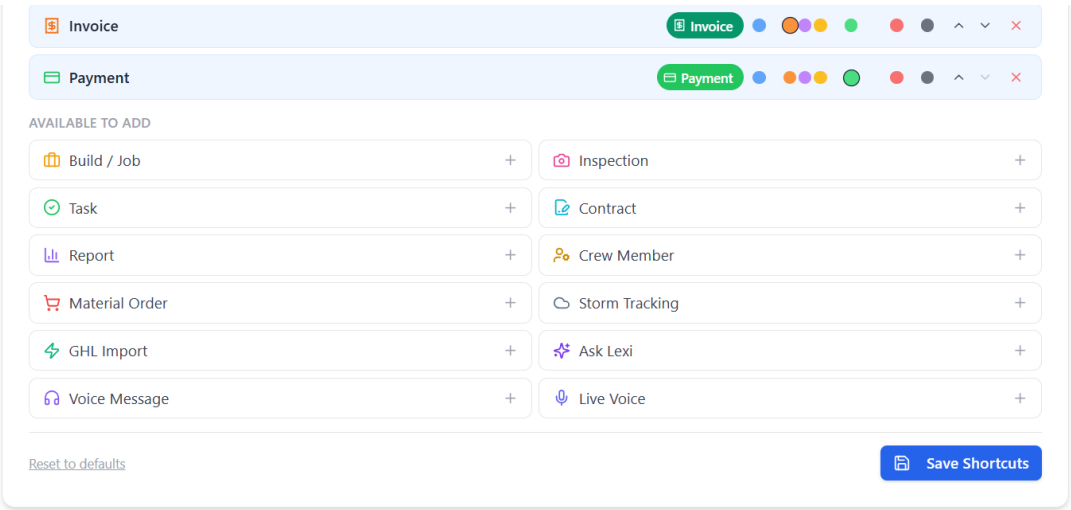

Quick Create Shortcuts

6 / 10 enabled

Choose which items appear in the "+ Quick Create" header dropdown, and in what order. If none are selected, the default 7 shortcuts will be shown.
