Storm Tracking

Real-time severe weather monitoring powered by NOAA · 2 offices monitored

Settings | Refresh Local (7d) | Find All (Nationwide)

How to Get REAL Property Owner Leads (100% FREE):

1. **When a storm hits** → Note the affected zip codes (e.g., 44903, 44906)
2. **Visit county auditor website** → Go to Property Search
3. **Filter by zip code** → Select storm-affected areas
4. **Download CSV** → Export 100-500 REAL property owner records
5. **Import here** → Click "Get REAL Leads" button on any storm below
6. **Optional: Get phone numbers** → Use skip tracing to enrich leads with contact info
