Dear Linda Hall,

This is a repair estimate. The insurance policy may contain provisions that may reduce any payment that might be made. Receipt of a copy of this estimate is not to be interpreted as an acceptance of liability. All estimate figures are subject to company review and approval; this is not an authorization to repair. Authorization to repair or guarantee of payment must come from the owner of the property. Neither the adjuster
nor appraiser have the authority to authorize or guarantee payment. The insurer assumes no responsibility for the quality of repairs that might be made. A copy of this document does not constitute a settlement of this claim. The above figures are subject to the insurance company approval.
